ABOUT ME

I'm Kalicheti Aravind Reddy, a passionate and motivated Computer Technology graduate (2024) from Sri Krishna Adithya College of Arts and Science, Coimbatore. I have a keen interest in web development and modern software solutions, blending creativity with clean, efficient code. My experience includes a Full Stack Development internship where I worked with PHP, HTML, CSS, and SQL, and I'm currently developing a project that enhances user experience through optimized design and performance. With strong fundamentals in Python and a growing curiosity for emerging technologies, I aim to build impactful digital solutions that combine logic and design seamlessly.

EDUCATION

2021 - 2024

Bachelor of Science In Computer Technology

Sri Krishna Adithya College of Arts and Science, Coimbatore , Tamilnadu
CGPA : 7.5

2019 - 2021

High School Leaving Certificate

Avb school , Coimbatore, Tamilnadu
Percentage : 79%

PROJECT

2023 -2024
Academic Project

College Enquiry Chatbot
Rule-Based Chatbot
- Developed a rule-based chatbot using Python (Flask), HTML, and CSS to handle college admission and facility FAQs.
- Implemented keyword matching for instant, automated responses to user queries.
- Improved communication efficiency by reducing repetitive manual interactions.

2025
Self-developed Project

MERN Image Search Web App
GitHub: https://github.com/kalichetiAravindreddy/mern-image-search.git
- Built a full-stack image search app using React, Node, Express, MongoDB, and Unsplash API.
- Integrated OAuth 2.0 login, real-time search, and search history tracking.
- Designed a responsive UI and followed modular client-server architecture for scalability.

TECHNICAL SKILLS

- Programming: Python, HTML, CSS, JavaScript, PHP, SQL
- Frameworks & Tools: Flask

SOFT SKILLS

- Strong problem-solving and analytical thinking
- Time management and adaptability
- Problem Solving
- teamwork skills

LANGUAGES

- English , Tamil , Telugu
